“I have a very different background, but now I love Christ and I have peace. I never felt loved in my life until I learned more about Christianity which speaks of His person, Jesus Christ. I learned that it is not a religion as much as it is a relationship with Christ, who is everything. I have found the real treasure and light, and through Him, I no longer live in darkness. Thank you, my brothers and sisters for your ministry. I pray that the Lord will do great things in this country.”
Rabie, a male viewer from Algeria.

Please pray that Rabie will continue to grow in his faith, and others will experience God’s love as Rabie has.

Thank you for supporting the MENA with your prayers!
A LIFELINE IN A TIME OF NEED

Bahar, a female SAT-7 TÜRK viewer shares how the program women’s Homemade became a lifeline in her darkest hour.

“I was divorced three years ago. I can’t see my two children because of financial reasons, and I’ve been depressed for two years. A month ago, I was alone on my birthday. I felt so lonely and I had the desire to end my life, but I thought to myself that I should watch Homemade one last time. I had been watching SAT-7 TÜRK for a while and I thought the presenter Şemsa was very sincere and natural.

Bahar later contacted the team once more, giving thanks to God and sharing that her daughter had come to live with her. Please pray that SAT-7 TÜRK programs will continue to show God’s love to viewers, and pray for the Audience Relations teams who provide counselling, encouragement, and support to those viewers who contact the channel for help.

That day, Şemsa was talking about God’s love and patience. She talked about delivering ourselves to Him and giving Him our pain. I began wondering what the Bible had to say about suicide and reached out to the SAT-7 TÜRK team to request a Bible.

Now, I have hope. I am reading the Bible and praying every day and I believe that one day I will see my children again. Jesus Christ is with me; He is taking care of me. I thank you all - you have been tools for God to do this in my life.”

Please pray that SAT-7 TÜRK programs will continue to show God’s love to viewers, and pray for the Audience Relations teams who provide counselling, encouragement, and support to those viewers who contact the channel for help.

FUNDING
Seek God’s help for SAT-7 support officers to stay in touch with donors even during lockdowns. Pray God will supply SAT-7’s needs “according to the riches of His glory in Christ Jesus,” (Philippians 4:19).

LEBANON
Many citizens face hunger, illness, and extreme poverty as the economy plummets and COVID-19 spreads. Ask that people seek God for His guidance and aid.

WORLDVIEW – SAT-7 TÜRK
Threats and attacks against Christians and other minorities have increased in Turkey. Pray this program will lead to steps toward peace and unity.

FROM A VIEWER IN EGYPT
My mother, brother, sister, and son are very ill with COVID-19. Pray they will recover and will have no lasting side effects.

Families of Christians in prison
Ask God to provide for the needs of all families of Christians serving prison sentences. Seek His care especially for their children.
